TECHNICAL SKILLS

Programming Languages

- C
- Java

Database

- MySQL

Web Technologies

- HTML
- CSS

SOFT SKILLS

- Strong teamwork and collaboration
- Problem-solving and critical thinking
- Excellent verbal and written communication

INTERESTS

- Cooking
- Traveling
- Listening Music

LANGUAGES

- English (Fluent)
- Kannada (Fluent)
- Hindi (Fluent)

CERTIFICATIONS

- Data Structures in C – Great Learning Academy
- Responsive Web Design – FreeCodeCamp

PROFILE

Motivated computer science graduate with hands-on experience in software development, data analysis, and web technologies. Skilled in Java, MySQL, and machine learning techniques, seeking an opportunity to apply technical expertise in a dynamic environment.

EDUCATION

Bachelor of Engineering (Computer Science)

Jawaharlal Nehru New College of Engineering, Shimoga
2020 - 2024 | CGPA: 7.5/10

Pre-University Course (Science)

Diamond Pre-University College, Basavakalyan
2018 - 2020 | Percentage: 81%

High School Certificate

Vishwa Bharathi High School, Basavakalyan
2018 | Percentage: 78%

PROJECTS

E-Learning Management System

Technologies Used: MySQL, PHP
Developed a database-driven platform for managing and tracking student progress in e-learning courses. Enhanced data retrieval efficiency by optimizing SQL queries, reducing response time by 20%.

EMI Calculator Mobile App

Technologies Used: Android Studio
Created a mobile application to calculate loan EMI with dynamic interest rates and loan terms. Delivered an intuitive user interface for calculating and visualizing loan payments.

Resume Analysis System

Technologies Used: Python, NLTK
Built a machine learning-based resume analysis tool using Natural Language Processing. Automated entity recognition and text extraction to streamline the resume review process.

INTERNSHIP

Data Science Intern

Ekathva Innovations Pvt. Ltd. | Aug 2023 - Sep 2023

- Developed and deployed data processing pipelines using advanced Python libraries and APIs.
- Assisted in analyzing large datasets, contributing to the delivery of actionable insights for clients.
- Implemented cloud-based solutions for data storage and big data management.
